### "Packages" 2010

Registration 2010 to IMdR offers "advantages" such as a reduced entrance fee to monthly demonstrations and to the **17<sup>ème</sup> congrès de maîtrise des risques in La Rochelle in October**; The right to take part in any WG (Working Group ) of the Institute; free access to documentation at Gentilly, as well as information and advices of Orientation Center members ;etc. ...

"Package" is a formula which permits simultaneous yearly fee payment and some performances proposed by IMdR all year long. This flexible formula allows to take advantage of a bargain in front of a stroke by stroke fee. Paperwork will also be easier.
